**A Tribute to
Dr. Bertha Nelkin A"H**

A Founding Member of Bikur Cholim of Baltimore

On כד' כסלו the community mourned the loss of a great woman,

**Dr. Bertha Nelkin, a'h
בתיא בת משה חיים ע"ה**

Dr. Bertha Nelkin was a founding member of Bikur Cholim of Baltimore. She was the epitome of אורה הבריאות and channeled her compassion for the sick and less fortunate. Everything our volunteers in Bikur Cholim do from patient visitation to transportation to medical appointments to kosher meal delivery, she did by herself together with her choshuv husband Rabbi Yosef Nelkin (he should be gezunt).

When accommodations were needed for out-of-towners coming for medical help, they welcomed them into their home-sometimes for months at a time. She and her husband would spend Purim visiting the hospitals and bringing Shalach Manos and smiles.

As Bikur Cholim grew, she headed the Visitation Committee, expanding it to more facilities and training more volunteers. She served on the Bikur Cholim Community Advisory Board until very recently.

Dr. Nelkin should be a Meilitz Yosher for her husband, her children, grandchildren, great-grandchildren and the k'lal.

May she be an inspiration for us and keep us focused on what is truly important: **עולם חסד יבנה**

We apologize if we inadvertently left anyone off.

To Our Dear Volunteers,

Each and every day, we receive messages from people in our community as well as from out-of-town requesting anything from someone to stay with a family member in the hospital, to rides to medical appointments, food at the hospitals or for a homebound patient, medical equipment, a visitor, and the lists go on and on. With *siyata dishmaya*, we are able to fulfil most of the requests we receive.

But we can do so only because of you, our wonderful, dedicated volunteers! It is you who drive hundreds of patients to doctors appointments, cook meals, visit people in the hospital, stay with babies overnight in the hospital, stock the Kosher Hospitality Rooms on a regular basis-day and night- and the list goes on and on. We are so fortunate that you are on our team and we want to take this very small opportunity to thank you not only on behalf of the organization but on behalf of everyone of the hundreds and hundreds of individuals we help each year.

As our mission statement says, Bikur Cholim is here to enable patients to focus on their recovery by providing assistance...at no cost to them. We are only able to provide these services because of our tremendous team of volunteers.

Thank you to one and all of you!
